

NWTF Tunnel Managers Forum

Proposal for Global Calendar

NWTF Tunnel Managers Forum

A Proposal...

Create a timetable linked to worldwide tunnel organisations SATA & STAI

Have at least one NWTF member who will effectively represent NWTF at each organisation (to minimise costs if necessary)

Hold 2 NWTF tunnel managers forums per year which, in addition to networking and sharing of ideas, will prepare for the forthcoming SATA & STAI meetings and feedback from those sessions to the rest of the NWTF membership.

SATA Members: Airbus UK, QinetiQ, Imperial, Glasgow [+Southampton, Cranfield, Bristol, City, Loughborough]

STAI Members: ARA, ETW [+City, Cambridge, Manchester, Oxford]

2023 SATA Meeting - Colorado Springs, Colorado

Subsonic Aerodynamic Testing Association - Bremen & Filton LSWTs are members

Worldwide association of wind tunnel operators - the facility is the member not the organisation

Mix of university, automotive, aircraft, environmental, railway vehicles and even one bicycle company (Specialized)

37 facilities presented of which 4 were new member submissions

SATA business meeting closes the session - new members admitted to the association, pitch for 2025 host, advert for 2024
